Dear Ms Pickup,

Petrol Filling Station, 97 Park Lane, Bedhampton, Havant, PO9 3HQ

Installation of 2 No. jet wash facilities and the removal of 1 existing jet wash facility. Minor amendments to parking on site.

I refer to the consultation on the above planning application and would make the following comments.

The Petrol Filling Station has offered a two space shared Jet Spray facility, with the current proposal seeking to provide two jet wash facilities in the same location. The proposal provides a new 2 separate bay facility with a central drain within each bay. It is considered that creating the two separate bays may be more effective in containing waste water and reducing overspill.

Having regards to the above the Highway Authority would recommend -

No objection (no conditions)

Yours sincerely,

Ken Dudley
