Subject: APP/24/00525

Prior Approval for development consisting of a change of use of a part of a commercial unit from Class E (commercial, business and service) to 1No. 1 bed flat within Class C3 (dwellinghouses). | 13-15 Park Parade, Havant, PO9 5AA

Thank you for consulting the Environmental Protection Team on the above application. Please note these comments relate to noise only. Whilst we do not wish to make an objection on this occasion, we recommend a condition be attached requesting that a sound insulation scheme is submitted to and agreed by the LPA prior to commencement. The scheme shall include measures to protect future residents of the proposed residential accommodation from commercial noise, in particular from airborne and impact noise which may travel between the proposed ground floor party wall.

Regards
