

Good afternoon Steve

Apologies for the delay in replying to this consultee request, our team are currently experiencing a heavy workload.

This is the fifth Deed of Variation for this site.

As Case Officer you will be looking at the merits of this request. However, in my personal opinion, this type of D of V is becoming a 'regular request' and some thought as to the practicalities of delivery should be more carefully considered by Barratt's at the drafting stage of their original S106 agreements.

Kind regards

Mrs Louise Weaver
