**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Notification of Decision**

Application Number: APP/23/00554

Site Address: 26 Bath Road, Emsworth, PO10 7ER

Proposed Tree Works: Removal of 1No.Cherry tree within Conservation Area of Emsworth.

Further to your notification received on 19 July 2023, Havant Borough Council, as Local Planning Authority, advises that it **Raises Objection** to the above tree work in Emsworth Conservation Area.

As a consequence I can advise that the Council made a **Tree Preservation Order (Ref 2134)** with respect to the tree. You should have received from the Borough Secretary formal notification of the making of this Order by the Local Planning Authority. The effect of the Order is that the Council's written consent is required for any tree works to the tree(s).

I enclose, for your use, should you wish to carry out any tree works to the tree(s) covered by the Order, the appropriate application forms, as the Council cannot, under the current Regulations treat your notice under Section 211 as an application to carry out works to a subsequently protected tree.
