CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Dear Ikrame,

Further to your email dated 25/08/23, please see the additional cycle storage information attached in response to the comments received for condition 7.

I am still chasing a response with regard to conditions 6 and 9.

With regard to your email dated 30/08/23, I can confirm that the word "adoptable" refers to the roads which will be adopted.

Kind regards,

Tilly
