For the attention of Ms D Sheath

Dear Madam,

Replace existing Double-sided internally illuminated 6-sheet Bus Shelter advertising displays with a Single digital Bus Shelter advertising display, reverse panel comprises a non-advertising, non-illuminated space for Council or Community content. Replacement digital display will portray static advertising images that change every 10 seconds.

Thank you for consulting the Highway Authority on the above planning application.

The Highway Authority raises no objection to the proposed development, subject to the following condition:

The illumination of the consented sign(s) shall be no greater than 600 candela per square metres.

Reason: In the interests of highway safety/amenity.

Yours Sincerely,

Chris Hirst
