Subject: RE: *EXTERNAL:Condition 3, landscaping at Forty Acres Farm - APP/21/00605

Hello Josephine,

So sorry in the delay in getting back to you.

I would not accept Beech as an evergreen tree as they are deciduous. Rachel is correct in stating that they can hold their leaves over winter, however this only true for when they are juvenile tree. Given the requirement is to provide screening we can only accept evergreen species as stated in the condition.

Kind regards,

Harry Mitchell CMLI
