Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Once again more houses poor planning and no subjective information regarding how utilities will be provided. Can Portsmouth Water supply? Can Southern Water get rid of the amount of sewage produced?

Also the usual problems regarding the transport infrastructure. Has an impact study been made on the Hayling Bridge and the obvious increase in wear and tear on the bridge itself?

Stop the development let the land be used to provide much needed home produced products
