Subject: FW: land adj to Saxted House, 5 Tower Street - Discharge of condition 3

Dear Ikrame,

I have now received confirmation from the agent that the glazing arrangement of the windows to be fitted into the new dwelling will match those shown on the approved elevations, but will be in the style of the sample frame submitted (timber with a white painted finish). On this basis I am satisfied that this information is sufficient to discharge the condition however, please can you make specific reference to the agent's email where this information is confirmed, within the decision.

As the other materials were deemed to be satisfactory, this condition can now be discharged.

Kind regards

Rachael
