Dear Josie,

APP/23/00788 | Hampshire County Council Consultation for Alterations to SCOLA building to include replacement cladding, roof material and fenestration, and upgrade to lighting at Hart Plain Junior School. | Hart Plain Junior School, Hart Plain Avenue, Waterlooville, PO8 8SA

Thank you for consulting me on this application.

The application is accompanied by a Bat Survey Report (HCC, August 2022). Following an initial exterior and interior inspection, a single evening bat emergence survey was carried out in May 2022. No bats were observed roosting within the building and it is concluded that roosting bats are not present. No further action is considered necessary.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan
