Dear Sir,

Camp Field (land to the west of Havant Crematorium), Bartons Road, Havant

Outline Application for access with all other matters reserved, for up to 72 new homes plus associated green infrastructure including community orchard (Approved 5/10/2020). Request to discharge conditions 22, 26, 27, 28, 30, 31 (30/11/2021). Request to discharge conditions 8, 11, 20 (07/12/2021). Request to discharge condition 23 (06.04.22). Request to discharge conditions 17,18 and 19 (17.11.22). Request to discharge conditions 7,13,24 and 33 (17.11.22). Request to discharge conditions 5,9,15,21,25 and 32 (01.12.22).

Thank you for reconsulting the Highway Authority on the above planning application which seeks to discharge Condition 26 regarding the Construction Environmental Management Plan (CEMP).

The latest amendment to the document features a change to the construction traffic routing plan on page 5 of the CEMP. The plan notes that construction traffic is required to access the site from the A27 and along the B2149 before turning right into Bartons Road, with the reverse route taken for construction traffic leaving the site.

The proposed route is the most direct route to the strategic road network and is therefore considered acceptable. The Highway Authority therefore recommends the discharge of Condition 26.

Yours sincerely,

Chris Hirst
