10a The Pallant

Congratulations

You are within your maximum consumption of potable water: 110 litres / person / day.

Total potable water consumption as per your calculation: 109.88 litres / person / day.

This calculator is intended to inform design choices by demonstrating the likely impact of specification changes on total water consumption. Results can only be used to demonstrate compliance with the Code for Sustainable Homes when the calculations have been verified by a suitably qualified Code for Sustainable Homes assessor.
