Dear Sir/Madam,

REF: APP/21/01061

SITE ADDRESS 2A Billett Avenue, WaterlooVille
PO7 7SZ

With reference to the above Planning Application -
We wish to draw to your attention + express our concerns
of the following;

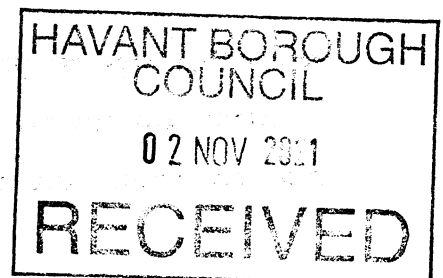

A large proportion of the proposed works are to be
carried out within the Root Protection area of our
TPO Oak Tree (T1) REF. RPA Plan - Drawing No PL310A
(APP/21/00018)

It should be noted that the existing Driveway of 2A
was installed approx. 15 years ago, since which time
new root growth would have occurred & needs to be
considered.

We trust that this will be given due consideration
+ that the proposed works will not in any way
effect the safe retention and health of our
TPO (T1) Oak tree.

Yours Faithfully,

AKC
