## NOTES

1. All permanent road markings shall comply fully with the specification and performance requirements of Clause 1212.
2. All diagram numbers indicated refer to the Traffic Signs Regulations and General Directions 2016 and its subsequent amendments.
3. Existing Highway Drainage shall be confirmed prior to construction.
4. Refer to ENREROV Street lighting drawing EVO20090314-01-UD01-A and accompanying report documentation for details of proposed street lighting details.
5. Utilities shown on this drawing are collected from third party information.
6. All footways to be constructed with 2.5% crossfall.
7. Existing drainage arrangements shall be confirmed prior to construction prior to start of construction to confirm existing construction make-up.
8. Contractor to arrange soaked CBR tests for areas of new carriageway.
