| Abbreviation   | Species                        | Height   | Post Size | Specification       | Density |
| Esca 'A.B'     | Escallonia 'Apple Blossom'     | 40-60cm  | 3L        | Bushy: 4 brks: C    | 31m     |
| Ligu_vulg      | Ligustrum vulgare              | 80-100cm | 10L       | Bushy: 9 brks: C    | 31m     |
| Phot_fras 'RR' | Photinia x fraseri 'Red Robin' | 40-60cm  | 5L        | Branched: 6 brks: C | 48 No.  |

Orange-outlined zone to be planted with species in accordance with the ecology report.

0m10m20m

north

All dimensions in millimetres unless otherwise indicated. All levels in metres relative to Ordnance Datum and any positive (AOD) unless otherwise indicated.

Figure dimensions only to be taken from this drawing, do not scale except for planning purposes. Dimensions to be checked on site.

For civil and structural matters including existing and proposed services, sub-base construction and site structures (including retaining walls over 900mm height) refer to information by others.

The original version of this drawing was produced in colour - monochrome copies should not be relied upon to accurately reflect all drawing elements.

Conversion boundary

Site boundary (Site-wide landscape scheme)

Buildings to be retained

Areas where handstanding needs to be carefully broken out

Existing trees & vegetation

Existing tree to be retained and protected in accordance with the arboricultural report.

Root Protection Area - refer to arboricultural report. To remain undisturbed and uncompacted (no material or equipment storage permitted)

Retained, extended and enhanced understorey planting. Rhododendrons and laurels to be removed and replaced with native mix in accordance with ecologists report.

Soft landscape

Reinforcement to the existing boundary vegetation with a native hedge mix, where appropriate

Specimen tree

Private rear gardens - fenced & laid to turf. Sheds where shown. For details of bin and bicycle stores etc. refer to architect's plans.

Ornamental shrubs & groundcover

Clipped hedge

Mixed native hedge

Native buffer planting

Mown amenity grass

Species rich grass

Bulbs

Marginal / emergent planting to pond

Climbers to porch columns
