Planning Application APP/23/00507 Northney Farm, St Peters Road, Hayling Island, PO11 0RX

Partial Reinstatement and Repair of existing sea wall to a height of 1.4m and Creation of an inner bund with a maximum height of 2.25m to protect habitat for wintering bird populations.

From a landscape perspective we have the following comments:

- No landscape objection in principle, however we require details on the proposed materials (product specification, colour, heights etc.) to understand any visual impact on Chichester Harbour area of outstanding natural beauty. The AONB is landscape conservation area and the distinctive character and natural beauty must be safe guarded.
