Hi Leanne

Thanks for your call and for your reassurance that you have completed your report and recommendation to approve the application under delegated powers. I note that, due to an administrative oversight, the neighbour notices and advertisement were not issued. Under the circumstances I am happy to agree an extension of time to 10th November to allow you to complete the formalities before issuing the consent.

As I mentioned to you, I would imagine that the occupiers, MIND or MOTIV8 will be happy to display the site notice inside the windows in order to prevent it disappearing.

Kind regards

Phil
