SUBMISSION OF DETAILS PURSUANT TO CONDITION 9 OF PLANNING PERMISSION
(REF: APP/21/00405)

We have been instructed by our client XLB Property Ltd ("XLB") to submit details pursuant to Condition 9 of Planning Permission (Ref: APP/21/00405) at Langstone Park, 2B Langstone Road, Havant, PO9 1SA which permits the following development:

Background

Planning Permission (Ref: APP/19/00703) was granted on 22 July 2019 for the benefit of the, then owners of Langstone Park ("the Park"), A.G Langstone BV and Trinity Investment Management. In December 2020, the Park was sold and changes to the approved scheme were secured via a S73 application (Ref: APP/21/00405) granted on 25 August 2021 ("the S73 permission").

Condition 3 attached to the S73 permission refers to the approved phasing plan for the development. Condition 3 was amended in October 2022 (Ref: APP/22/00615) which provided an updated Phasing Plan, which set out the following approach to phasing:

Since that time, an updated Remediation Method Statement has been produced (and agreed in principle with the EHO Officer) by Envirotreast and a Verification Report has been submitted pursuant to Condition 16 against the updated Method Statement.

In order to regularise the position in relation to Condition 9 and to facilitate the approval of the details submitted pursuant to Condition 19 (which have been submitted separately), we hereby seek formal approval of the updated Method Statement produced by Envirotreast.
