finance for land acquisition. The Southleigh Park House site was an acquisition by VIVID in 2019. Bargate is now taking forward the implementation of development at this special site.

Bargate is co-ordinating the comprehensive planning and implementation of development at the site. Bargate is designing and constructing the new build homes within the site and has commissioned contractor FSL Developments ('FSL') as a specialist in the conversion of existing built spaces to residential development. FSL is experienced in undertaking unique and challenging proposals and brings its expertise to the sensitive adaptation and conversion of the listed buildings at the Southleigh Park House site.

The project

The proposals for Southleigh Park House, are being progressed comprehensively pursuant to the original hybrid planning permission and will involve parallel submissions for the reserved matters, adjustments to the full permission design for the listed buildings and the discharge of planning conditions.

This application

FSL hereby apply to discharge condition 6 (walls, fences, hedges and enclosure) of the detailed aspect of permission APP/17/00863. The condition wording is as follows:

No development hereby permitted shall commence until plans and particulars specifying the alignment, type, height and, where appropriate, construction materials and design of all proposed screen walls, fences, hedges and other means of enclosure for that phase have been first submitted to and approved in writing by the Local Planning Authority. No dwelling shall be occupied until completion of the installation of all its screening provision as is thus approved by the Local Planning Authority. At all times thereafter, all of that screening provision shall be retained in a wholly sound and effective condition.

FSL enclose a comprehensive, detailed hard and soft landscape scheme (including all walls, fences, hedges and other means of enclosure and associated design and materials) shown on drawing No. C6-BML.01 Rev P1.

Other pre-commencement conditions

Eight other conditions for the detailed aspect require further details to be approved prior to the commencement of development. The submission status of these is as follows.

- Condition 2 (Method statement to protect the listed buildings): Validated 30/08/2023 (PP-12420525)
