Hi Leanne

Thank you for your call.

I have discussed with James and I don't think we need a meeting, but would be grateful for a quick update note from you as to where we stand. I think the two outstanding issues are highways and completion of S106 (which will secure NN solution), but would be grateful if you could confirm by return that is also your position.

We probably just need a short extension of time just to cover discussions over the next few weeks. Could we initially agree till end of this month?

Many thanks,
Peter
