Dear Ms Essalih,

Museum 10B North Street, Emsworth, PO10 7DD

Display of 3No. non-illuminated fascia signs and 1x non-illuminated projecting hanging sign.

In regard to application APP/23/00691, having reviewed the information contained within the application pack, there is no objection to the proposals from a highway perspective.

None of the signs are either illuminated or have moving images, and are flat to the surface of the building bar one projecting sign. It is however noted that the projecting sign is located 2.4m above ground level, and as such will be non-obstructive to passing pedestrians.

Yours sincerely,

Matt Grantham
