Dear Sir/Madam,

Proposal: Single storey front extension; removal of existing conservatory & replace with single storey rear extension; loft conversion including raising of ridge height, front and rear dormers and hip to gable with cladding on gable ends; demolition of existing garage; render to elevations and fenestration alterations.

Site: APP/21/00179: - 35 Charlesworth Drive, Waterloooville, PO7 6AX.

Thank you for your letter dated 05/03/2021.

Southern Water requires a formal application for any new connection to the public foul and surface water sewer to be made by the applicant or developer.

To make an application visit southernwater.co.uk/developing and please read our New Connections Services Charging Arrangements documents which are available on our website via the following link southernwater.co.uk/connection-charging-arrangements

In situations where surface water is being considered for discharge to our network, we require the below hierarchy for surface water to be followed which is reflected in part H3 of the Building Regulations. Whilst reuse does not strictly form part of this hierarchy, Southern Water would encourage the consideration of reuse for new developments.

- Reuse
- Infiltration
- Watercourse
- Storm sewer

- Combined Sewer

Guidance on Building Regulations is here:

gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For Southern Water Planning Webpage please click the below link:
