Comments

Dear Selina,

APP/23/00584 | Construction of maintenance access off Manor Farm Close and amendments to existing drainage basins. | Land E of Manor Farm Close, Havant, PO9 2DQ

Thank you for consulting me on this application.

The application is not accompanied by any ecological information. I have therefore carried out my own non-exhaustive desk-based assessment using the application documents, online sources and GIS mapping. The proposed amendments to the SuDS basins are not likely to result in significant ecological impacts and I do not consider that further ecological information is necessary.

If you have any queries, please dont hesitate to contact me.

Kind regards,

Tristan
