Dear Sirs,

Costa Waterloo Park, Elettra Avenue, Waterlooville

Display of 4No. fascia signs and 10 assorted static and hanging signs.

Thank you for the above consultation on the proposed signing of the Costa at Waterloo Park. It is noted that some stand alone features are proposed and the location of these have not been detailed. The Planning Authority should be satisfied that no features are proposed which would be positioned within the highway boundary, including the verge surrounding the plot, nor that any signs conflict with the secured highway works to Elettra Avenue. The Planning Authority should also be satisfied that the locations of the signs and height barriers do not impact the wider operation of the internal layout for any users be they pedestrians, cyclists or in vehicle.

I hope the above is clear, if you require further information please do not hesitate to contact me.

Yours sincerely,

Holly Drury
