Dear Sir/Madam,

Erection of a 64 bed care home (within Use Class C2) and 6No. dwellings (within Use Class C3) with associated works including access, parking and landscaping. at Land at Cowplain School, Hart Plain Avenue, Waterlooville(Application No. APP/22/00837

Hampshire County Council as Lead Local Flood Authority has provided comments in relation to the above application in our role as statutory consultee on surface water drainage for major developments.

This response does not reflect the position of Hampshire County Council as the Highway Authority. If there is a potential for the drainage features to be offered for adoption, this will need to be discussed separately with Highways development planning as they might not be considered acceptable by the Highway Authority.

In order to assist applicants in providing the correct information to their Local Planning Authority for planning permission, Hampshire County Council has set out the information it requires to provide a substantive response at <https://www.hants.gov.uk/landplanningandenvironment/environment/flooding/planning>

The County Council has reviewed the following documents relating to the above application:

- Revised calculations (Ridge, 25/1/23)
- Proposed Overland Flow (Ridge, 25/1/23)

We consider that the information provided is sufficient to address our comments and as such we have no objection to this application.
