

Site plan for the Northtown House Hotel. The plan shows the layout of the hotel building, including a central corridor and multiple rooms. A red rectangle highlights a specific area labeled "APPLICATION BUILDING". The plan also shows existing trees, parking areas, and various site details such as elevations, dimensions, and material callouts. A note indicates that the area was updated in December 2020, referencing drawing No. 16955. The plan is oriented with North at the top.
