Submission of a Full Planning Application for the erection of a Temporary Sales Cabin including car parking on the land at Sinah Lane, Hayling Island. This application is associated with the recently approved development under planning reference: APP/20/01093.

Dear Ms Haywood,

I am pleased to enclose for your consideration details and drawings pursuant to the above application (Planning Portal reference: PP-09667139). A full list of the plans submitted as part of the application are detailed for you below:

Plan number	Plan Title
SK001	Site Layout and Location Plan
4272 S-01	Layout (Jackleg Measurements)
7285 S-01	Layout (Floor Plan)
S-01	Elevation Drawing
n/a	Sign Proposal (Pebble Walk)

The rationale behind the application for a Temporary Sales Arena is to provide a temporary home for our Sales Team as we prepare for the Sales Launch later on this year. As you will appreciate, it is important that we have a presence on the site to accommodate visitors whilst the permanent Sales Arena and show homes are being constructed.

It is anticipated that the sales cabin and associated parking and signage will be in position until the end of October 2021.

We trust that the above provides you with sufficient information to validate and approve the application.

Please do not hesitate to contact me via email, rachel.ballam@barratthomes.co.uk, if you require any additional information or seek clarification on any of the above. We look forward to receiving formal acknowledgement that the application is registered.

Yours Sincerely,

Rachel Ballam
