CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Good afternoon Arleta,

I have previously discussed this with the Highways Authority officer dealing with the case and they acknowledged my comment.

I confirm the gate opening times are based around school operating hours. Early morning until close of play (depending on after school clubs etc).

I have tried calling on the number below, so if you could please contact me on either the number below or 07841718209 then it would be much appreciated.

Kind regards,

Alex Palmer

You don't often get email from arleta.miszewska@havant.gov.uk. [Learn why this is important](#)

Dear Alex,

I trust this finds you well.

I'm writing in connection with your application. You will see that the LHA has now commented and raised no objection to the recent revised plans, however, has requested a condition securing that the gates onto Hart Plain Avenue are to remain open before and after the opening and closure of the school to prevent any queuing back onto highway. Would you be able to confirm this is the school's intention and is a part of the proposal, please?

The final outstanding matter is impact on trees, and I have chased Trees comments again earlier this week and expect them imminently.

I trust the above is of assistance and I'm looking forward to receiving your written confirmation about the gates opening times.

Kind regards,
Arleta
