Dear Ms Richardson,

Application No: APP/23/00187

Address: Unit 1, Victoria Road and 234 London Road, Waterlooville, PO7 7ET

Description: Outline application with all matters reserved for construction of 13No. one bedroom and 16No. two bedroom apartments (total 29) with refuse and cycle storage, car parking and soft and hard landscaping, following demolition of existing 3 bedroom bungalow and commercial property

Thank you for consulting Hampshire County Council as Local Education Authority on the above planning application, which has been passed to me for comment.

The proposed development of 29 dwellings (16 eligible dwellings) is expected to generate a total of 5 additional primary age children and 4 secondary age children. This is based on a figure of 0.3 primary age and 0.21 secondary age children per new eligible dwelling which was derived by conducting demographic surveys of developments that have been completed within Hampshire and calculating the average number of primary and secondary age children on those developments.

The development site is served by Mill Hill Primary School. There is capacity within this school and the surrounding area to be able to accommodate the additional children that will be yielded from this development. Therefore, I will not be seeking contributions towards primary provision.

The development site is served by Crookhorn College. There is capacity within this school and the surrounding area to be able to accommodate the additional children that will be yielded from this development. Therefore, I will not be seeking contributions towards secondary provision.

If you have any queries concerning the above, or wish to discuss this matter, please do not hesitate to contact me at francesca.godden@hants.gov.uk.

Yours faithfully,

Director of Children's Services
Stuart Ashley
