1 Site Description

38A East Street, Havant is a two storey building attached to 38 East Street. The building comprises of brown brickwork, black wood and concrete roof tiles. The ground floor has an existing shop frontage.

It is attached to No.40 East Street 'The Limes' which is a grade II listed building. There are also a number of other listed buildings within the vicinity.

The building itself is not a listed building but is within the St Faith's Conservation Area.

2 Planning History

No relevant planning history.

3 Proposal

The proposed development is to replace the crittall type windows on the rear and side elevations with white uPVC. The existing crittall windows on the front elevation together with the original shopfronts would be retained and refurbished and redecorated.

4 Policy Considerations

National Planning Policy Framework
Havant Borough Council Borough Design Guide SPD December 2011
Havant Borough Council Parking SPD July 2016

Havant Borough Local Plan (Core Strategy) March 2011

Havant Borough Local Plan (Allocations) July 2014

Listed Building Grade: Not applicable.
Conservation Area: St Faiths

5 Statutory and Non Statutory Consultations

Conservation Officer

Assessment

The proposed new windows will be the same style as the existing windows and will be located to the side / rear and not highly visible within the East Street frontage. The existing windows are failing and are in need of replacement.

Conclusion

Overall the proposal is considered to be acceptable in terms of its impact on the conservation area.

6 Community Involvement

This application was publicised in accordance with the Council's Code of Practice for Publicity of Planning Applications approved at minute 207/6/92 (as amended), as a result of which the following publicity was undertaken:

Number of neighbour notification letters sent: 13

Number of site notices: 1

Statutory advertisement: 27/01/2023

Number of representations received: 0

7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

- (i) Principle of development
- (ii) Appropriateness of design and impact on the conservation area
- (iii) Impact on 'The Limes' Listed Building
- (iv) Effect on neighbouring properties

- (i) Principle of development

7.2 The application site is located within the defined urban area, therefore development is considered acceptable in principle subject to development management criteria.

- (ii) Appropriateness of design and impact on the conservation area

7.3 The replacement windows are considered to be in keeping with the existing building

and is deemed to preserve the character and appearance of the conservation area. It is worth noting No.s 1 and 2 Chapman's Court have carried out similar works. Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 requires planning authorities, when considering whether to grant planning permission for development which affects a Conservation Area, to have special regard to the desirability of preserving or enhancing the character and appearance of that area. The Council's Conservation Officer commented on the application raising no objection to the proposals. It is considered that the works preserve the Conservation Area.

- 7.4 The design and appearance of the proposal is deemed appropriate in context to the main building and is therefore considered to be acceptable, meeting the requirements of Policy CS16 and Policy CS11 of the HBLP (Core strategy) and Policy DM20 of the HBLP (Allocations). It is considered that the scheme would not result in an adverse impact on the visual amenity of the locality.

(iii) Impact on 'The Limes' Listed Building

- 7.6 Due to the nature of the proposed works it is not considered to have an adverse impact on the adjoining listed building (The Limes).

(iv) Effect on neighbouring properties

- 7.7 The proposed works are not considered to have a negative impact upon neighbouring properties.
- 7.8 Consequently, it is considered that the proposal will not appear overbearing or lead to overlooking and would have limited and acceptable impact on the properties immediately adjacent to the application site and the properties opposite or to the rear, meeting the requirements of Policy CS16 of the HBLP (Core Strategy). It is noted no letters of objection were received with respect to the scheme.

8 Conclusion

- 8.1 The scale, siting and design of the proposal would have limited and acceptable impact on the conservation area, the adjoining listed building and neighbours and is therefore considered to be appropriate and recommended for approval.

9 RECOMMENDATION:

That the Head of Planning be authorised to **GRANT PERMISSION** for application APP/23/00025

- 1 The development must be begun not later than three years beginning with the date of this permission.
