Southern Water have no objection to discharge condition 08 relating to foul drainage.

The Council's technical staff and the relevant authority for land drainage should be consulted regarding condition 08 for surface water drainage.

Southern Water have no objection to discharge condition 31 relating to sewer protection. The submitted sewer protection plan (Drawing no. 6383-MJA-SW-XX-DR-C-805 Rev: PL3) indicates easement to existing public foul sewer which would be satisfactory to Southern Water.

Southern Water have no comments to make with regards to other conditions.
