Letter to the Hersted Building Society
Conservation

Little Seafields
6, Kinnell Close
Emsworth

HANTS

I have been informed that (you)
have visited the above property and
submitted recommendations.

I am writing this letter to
fully support those recommendations
and that they are carried out within a
short time frame.

I have moved to Hampshire from
Cambridge shire, where the listed
Building Conservators, were highly
respected. Owners with a listed
Building did not undertake any
alterations or erection of Sate like
cliskee without prior consent. Those
not following the planning laws
experienced huge extra costs and
law Court procedure.
