NOTES

- 1) This drawing is the copyright of Rosenthal Architectural Services and cannot be reproduced without written authority.
- 2) This drawing should be considered preliminary as it may form part of a larger project and is not intended for construction without the approval of the Building Control Inspector. The building work should commence until the relevant approvals are obtained.
- 3) This drawing if appropriate should be used in conjunction with the relevant Building Regulations and Approved Documents.
- 4) This drawing is not intended to be used as a basis for any other work without the written authority of Rosenthal Architectural Services.
- 5) Whilst every effort has been made to ensure the drawing is correct, it is the responsibility of the client to ensure that the drawing is correct and that the building work is carried out in accordance with the drawing.
- 6) All works are to be carried out in accordance with current Building Regulations and Approved Documents.
- 7) It is the client's responsibility to ensure that the building work is carried out in compliance with the Building Regulations and Approved Documents.
- 8) These drawings may be subject to Planning & Building Regulation Approval or any other.
