To the planning case officer,

Dear Selina Donophy,

14 King Street, Emsworth, Hampshire

Planning Application: **APP/20/00762**

RETROSPECTIVE SUBMISSION

Proposal for blocking up 1x external door on north-west elevation (Retrospective application)

Thank you for consulting The Chichester Harbour Conservancy concerning the above planning submission. The Conservancy is a non-statutory consultee.

The landscape of Chichester Harbour was recognised as nationally important when it was designated as an Area of Outstanding Natural Beauty (AONB) in 1964, through the National Parks and Access to the Countryside Act of 1949. The Conservancy was established by the Chichester Harbour Conservancy Act of 1971. The purposes of the Conservancy are the responsibility for navigation and the conservation of nature. The Countryside and Rights of Way Act of 2000 formally established the Conservancy as the Joint Advisory Committee for the AONB, with the purpose to conserve and enhance the natural beauty of the landscape.

In its role in managing the Chichester Harbour Area of Outstanding Natural Beauty (AONB), The Conservancy has considered the submitted proposal against the Conservancy's planning guidance and principles - including The Chichester Harbour Management Plan (2019-2024), The Chichester Harbour Planning Principles (Management Plan version April 2019), The Chichester Harbour AONB Landscape Character Assessment (CBA update 2019), and The Chichester Harbour AONB Joint SPD (May 2017), adopted by both Chichester District Council and Havant Borough Council.

Under the Chichester Harbour Conservancy officer fully delegated decision process, the Local Planning Authority (LPA) is hereby advised that the Conservancy makes the following comment in relation to the above application.

Chichester Harbour Conservancy Recommendation – No objection

Suggested considerations –

- no conditions offered as proposal is retrospective, the works having already taken place

It is noted that the submitted proposal makes no acknowledgement of the sites location within the Area of Outstanding Natural Beauty (AONB). The AONB landscape includes open countryside, rural hamlets and villages, urban built-up market towns as well as the harbour waters, all of which are subject to a higher level of planning scrutiny and where development is subject to more stringent planning guidance to ensure that development respects and enhances the inherent qualities of such a sensitive location. The proposal has apparently been made with a level of understanding that would be considered absent in this regard. Given the small scale domestic nature of the proposal, this is regrettable and is unfortunate given the protected status of the AONB.

The proposal would have a localised impact on the dwelling and the immediate surrounds. The proposal would have a minimal impact on the AONB. Given its setting, the proposal is considered not to be unduly prominent to be detrimental to the character or the appearance of the Area of Outstanding Natural Beauty (AONB). The proposal is unlikely to have any significant impact or
