Comments

The Traffic Team would be concerned with the entrance to the store's car park off of the B&Q slip road in peak times/weekends and bank holidays. The traffic can tail back onto Purbrook Way and the flyover of the A3M motorway. This has led to drivers using the incorrect lane to proceed straight ahead towards Leigh Park at this roundabout. Also the amount of traffic that queues to exit B&Q can be backed up into their car park. Any additional vehicles from the proposed Lidl store would increase these queues further without a filter lane for those vehicles wishing to exit left. The potential for vehicles to park on the northern kerb in Purbrook Way could lead to more congestion.

If this development is permitted then the Traffic Team would want a provision to be made for a sum of £5000 (plus the costs associated with advertising the proposals and any works) estimated to be a maximum of £7000 in total, to be provided by the developer to be set aside from commencement to allow a TRO to be processed ending 5 years from practical completion of the development, to ensure that any parking from the development does not interfere with the capacity, operation or safety of the local highway network.
