Dear Ms Pickup,

**286-288 London Road, Waterlooville, PO7 7DS**

**Prior Approval for development consisting of a change of use of a building and any land within its curtilage from Class E (commercial, business and service) to Class C3 (dwellinghouses) to form 17 apartments at first and second floor levels.**

I refer to the further consultation on the above planning application including amendments and would make the following comments.

The Highway Authority previously provided a response dated 30 January to the initial consultation which related to a change of use for the total building to provide 21 x 1 bedroom apartments the amended proposal relates to retaining the ground floor for Class E Use with two floors above providing 17 x 1 bedroom apartments.

The Highway Authority remain satisfied that the proposal would not result in a significant detrimental impact on the operation or safety of the local highway network and would therefore not wish to make additional comments to those set out in the earlier consultation response.

Yours sincerely,

Ken Dudley
