Dear Sirs,

Proposed Development site (former Electricity Board site), Bartons Road, Havant

Mixed-use development comprising 191 apartments and two drive-through restaurants, together with associated access, parking and landscaping

Thank you for consulting the Highway Authority on the above application. It does not appear that the applicant has submitted revised transport documents and therefore our previous comments still stand.

It is noted that the proposed southern vehicular access has been removed, however the Highway Authority cannot make any comment until the previously requested information has been provided.

Yours sincerely,

Tom Fisher
