Subject: Newtown House Hotel - APP/17/00613 - Discharge of conditions

Hi Tina

Thank you for consulting me on the information relating to the discharge of conditions on Planning Permission APP/17/00613.

With regards to Conditions 5 and 6, I have the following comments:

Condition 5 (materials) – details relating to the proposed roof and brick materials which have been submitted are found to be acceptable for use. Details regarding the oak framed porches with lead canopies are also found to be acceptable for use.

Condition 6 (meter boxes, flue ducts and window materials) – all details submitted relating to the items specified in this condition are found to be acceptable for use.

I hope this is of assistance however please do not hesitate to contact me if you have any queries.

Kind regards

Rachael McMurray
