Dear Denise

Apologies for the delay in replying. I appreciate the application has been decided but wanted the Council to have the views of The Conservancy for its electronic record.

APP/21/00059 – 9 Towers Garden Havant PO9 1RZ

Hardstanding for car parking

Fully delegated Officer decision from Chichester Harbour Conservancy

Recommendation – Objection: the refusal of the application by the Council, for the stated reasons is supported.

Officer reasoned justification

This is a set piece development with lock up garages within the Langstone Conservation Area. Open plan in nature, this collection of dwellings has a pleasing overall appearance that contributes to the character of this part of the Conservation Area, within the Chichester Harbour AONB.

Yours sincerely
