Dear Sir or Madam.

I would like to state my objection to the extension to number 34 Cornbrook Grove.

Reason:–

The end wall, that would face my house, would look monstrous and ugly. It would be ten feet closer to my property and have too much plain brickwork which would make it oppressive. The applicant would never have to look at it but I would be subjected to it every day. It would be too close!

Closing the gap between numbers 33 and 34 by 10 feet would cause the stronger north and northwesterly winds to funnel and strengthen across neighbouring gardens and fences.

Yours sincerely,
