Comments

Supportive of the proposed facility.

The building will allow the cricket club to securely store ground maintenance machinery required in the upkeep of the cricket square at Purbrook Heath, for which they are responsible. This allows for the improvement in quality of a Havant Borough Council sports pitch playing surface.

The proposed location, although removing an area of open space, does not impede or result in the loss of designated sports pitches. Specifically, it does not infringe on the cricket pitch boundary or football pitches.
