

Dear Planning Team,

Thank you for the above consultation.

This application relates to the discharge of planning condition 7 (Acoustic Mitigation) Pursuant to the decision notice APP/18/01033 dated 14/1/2021. I have now reviewed the acoustic validation report relating to plots, 37, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50 as shown in the approved plan, *A-02-020-SP Rev F*, prepared by Sound Advise Limited. As noted in table 3.1 of the pre-occupation noise assessment reports submitted in support of the application. It can be said that all the reports have satisfied the requirement imposed by that condition.

Accordingly, condition 7 may be discharged in full.

Any issues, kindly let me know.

Regards
