Good morning

Re the attached Planning application, in regards to waste collections can you please consider the following;

Access Requirements:

- Access/Service Roads need to be capable of taking a 26 tonne Refuse Collection Vehicle (RCV).
- Access routes must allow for the safe passage of a standard RCV i.e. 11.5 metre long.
- Any height restrictions must allow for the safe passage of a standard RCV i.e. 4.5 metres high.
- Parking needs to be controlled to allow the RCV to safely manoeuvre and turn.

Kind regards

Peter

Notes for Consultees using Consultee In Tray on Public Access

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
