Material	Specification	Precedent Image
Gates	Cedar sliding gate.	 A photograph of a modern cedar sliding gate. The gate is made of horizontal cedar planks and is set within two brick pillars. Each pillar has a small, square, wall-mounted light fixture. The gate is closed, and the driveway is paved with dark asphalt. The background shows some trees and a house under a clear sky.
Piers	White Smooth Render (to match main house)	 A photograph of a wooden gate flanked by two white smooth render pillars. The gate is made of horizontal wooden planks and is set within the pillars. The pillars are white and have a smooth finish. The gate is closed, and the driveway is paved with light-colored concrete. The background shows some trees and a house.
