For: Derwent Developments Ltd

**The Town and Country Planning (Development Management Procedure) (England) Order
2010**
Grant of Planning Permission

Application Number: APP/13/00804

Site Address: Woodcroft Farm Development Site, Woodcroft Lane, Waterlooville

Proposal: Development of 288 residential units comprising 9 x one bedroom, 110 x two bedroom, 124 x three bedroom and 45 x four bedroom, retention of existing farmhouse, new access road from Eagle Avenue, internal access roads, associated car parking, open space and landscaping and including works to trees under TPO 1931.

Further to your application received on 07 August 2013, which was valid from 03 September 2013, Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date on which this planning permission was granted.
Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 No development hereby permitted shall commence until a Phasing Layout Plan has been submitted to and approved in writing by the Local Planning Authority. The development of the site shall be carried out in accordance with the approved phasing plan. Any amendment to the approved phasing programme must be first agreed in writing by the Local Planning Authority.
Reason: To ensure satisfactory comprehensive development and proper planning of the area.
- 3 No development hereby permitted shall commence on each phase until plans and particulars specifying the alignment, width, gradient and type of construction proposed for all footways, roads and individual accesses thereto (including all relevant horizontal cross and longitudinal sections) and the related provision to be made for street lighting and for surface water disposal and a programme for the implementation and making up of the same, have been submitted to and approved in writing by the Local Planning Authority. The implementation and making up of the same shall be completed in full accordance with such plans, particulars and

Our Ref: APP/13/00804

programme as are thus approved by the Local Planning Authority and the Highway Authority.

Reason: To ensure that they are constructed to satisfactory standard and, where appropriate a standard which will enable them to be taken over as publicly maintained highways and having due regard to policies CS16 and CS20 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.

- 4 Construction of the development hereby permitted shall not commence on each phase until plans and particulars specifying the finished levels (above ordnance datum) of both the ground floors of the proposed buildings and the surrounding ground levels in relation to existing ground levels for that phase have first been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with these approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that site levels are adequately addressed in the interests of the character and amenity of the area and of neighbours having due regard to policies CS16 of the Havant Borough Local Plan Core Strategy 2011 which forms part of the Local Development Framework, and the National Planning Policy Framework, March 2012.

- 5 Construction of the development hereby permitted shall not commence on each phase until an Arboricultural Impact Assessment and Method Statement including a pre-development meeting with the Council's Arboriculturalist has been submitted and agreed in writing by the Local Planning Authority. The proposed works shall be carried out in accordance with the approved details.

Reason: To ensure the trees are not adversely affected by the construction of the development and having due regard to policy DM8 of the Havant Borough Local Plan (Core Strategy) which forms part of the Development Plan and National Planning Policy Framework, March 2012.

- 6 No development shall commence on each phase until a Construction Management Plan and Construction Method Statement to include a pre-commencement meeting with the Local Planning Authority, the routing of construction traffic, site management, hours of working, delivery hours, delivery and construction vehicle parking, materials store, site office, waste management, road cleaning, measures to prevent mud and debris on the highway, storage of chemicals and hydrocarbons and such other matters related to construction of the site, has been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out fully in accordance with the approved Construction Management Plan and Construction Method Statement.

Reason: To ensure that development should not prejudice highway safety nor cause inconvenience to other highway users or result in any other significant harm to the amenity of local residents, or to existing natural features and having due regard to policies DM8, DM10, and CS20 of the Havant Borough Local Plan (Core Strategy) which forms part of the Development Plan and National Planning Policy Framework, March 2012.

- 7 Construction of the dwellings hereby permitted shall not commence on each phase until samples and details of all external facing and roofing materials shall be submitted to and approved by the Local Planning Authority. Thereafter only such approved materials and finishes shall be used in carrying out the development.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS16 of Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

- 8 No development hereby permitted shall commence on each phase until a specification of the materials to be used for the surfacing of all open parts of the site proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be brought

into use until the implementation of all such hardsurfacing has been completed in

full accordance with that specification.

Reason: In the interests of the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

- 9 No development hereby permitted shall be commenced on each phase until a detailed soft landscaping scheme for all open parts of the site not proposed to be hardsurfaced, has been submitted to and approved in writing by the Local Planning Authority. Such scheme shall specify the proposed finished ground levels in relation to the existing levels, the distribution and species of ground cover to be planted, the positions, species and planting sizes of the trees and shrubs to be planted and/or retained, and timing provisions for completion of the implementation of all such landscaping works.

The implementation of all such approved landscaping shall be completed in full accordance with such approved timing provisions. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS16 and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.

- 10 Construction of the dwellings hereby permitted shall not commence on each phase until plans and particulars specifying the alignment, type, height and, where appropriate, construction materials and design of all proposed screen walls, fences, hedges and other means of enclosure for that phase have been first submitted to and approved in writing by the Local Planning Authority. No dwelling within that phase shall be occupied until completion of the installation of all its screening provision as is thus approved by the Local Planning Authority. At all times thereafter, all of that screening provision shall be retained in a wholly sound and effective condition.

Reason: To safeguard the amenities of the locality and occupiers of neighbouring property and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.

- 11 Prior to the commencement of construction within any specified phase or defined area the development approved by this Planning Permission (as may be agreed in writing by the Local Planning Authority), a scheme to deal with the risks associated with contamination of the site shall be submitted to and approved in writing by the Local Planning Authority. That scheme shall include all of the following elements unless specifically excluded in writing by the Local Planning Authority.

- 1 A scheme of further investigation, based on the previously submitted GeoEnvironmental & Geotechnical report. The scope of the investigation shall be sufficient to:

- confirm the preliminary assessment of the nature and extent of contamination at the site,
- inform an appropriate assessment of the risks to all receptors that may be affected, including controlled waters, and;
- enable the appropriate design of remediation and/or risk mitigation measures (if required).

- 2 The results of the further investigation and risk assessment (1) and if appropriate, a method statement based on these results giving full details of the remediation and/or risk mitigation measures required, and how they are to be undertaken.

- 3 A verification report or statement (as appropriate) upon completion of the works set out in (2) [if any], confirming that measures undertaken have been implemented in accordance with the method statement, and have achieved the required performance standards. The verification report / statement shall provide details of any measures necessary for maintenance, further monitoring and reporting.

All elements shall be adhered to unless agreed in writing by the Local Planning Authority.

Reason: To prevent future occupants of proposed residential properties being exposed to unacceptable risks from identified contamination & soil gas associated with automotive repair and landfill activity previously undertaken at the site, and to ensure that the site does not pose an unacceptable risk to the groundwater Source Protection Zone 1; having due regard to policies and proposals E1 of the Hampshire County Structure plan 1996-2011 (Review), and DM10 of the Havant Borough Adopted Core Strategy (2011), and DM17 of the Draft Local Plan (Allocations) 2012.

- 12 Prior to the commencement of construction of any part of the development approved by this Planning Permission, a protocol for the identification & assessment of any unforeseen ground conditions shall be submitted to and approved in writing by the Local Planning Authority. The provisions of the approved protocol shall be observed throughout the undertaking of all relevant construction activities.

Reason: For the protection of workers and the general public during the development of potentially contaminated land, and to prevent future occupants of proposed residential properties being exposed to unacceptable risks from unidentified &/or unexpected contamination that may be associated with previous activities undertaken at the site; having due regard to policies and proposals E1 of the Hampshire County Structure plan 1996-2011 (Review), and DM10 of the Havant Borough Adopted Core Strategy (2011), and DM17 of the Draft Local Plan (Allocations) 2012.

- 13 If, during development, contamination not previously identified at the site is found to be present, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted, and obtained written approval from the Local Planning Authority for an addendum to the Method Statement required under Condition 1, (2). This addendum shall detail how this unexpected contamination shall be dealt with, and the development shall not be carried out other than in accordance with the approved details.

Reason: For the protection of workers and the general public during the development of potentially contaminated land, and to prevent future occupants of proposed residential properties being exposed to unacceptable risks from unidentified &/or unexpected contamination that may be associated with previous activities undertaken at the site; having due regard to policies and proposals E1 of the Hampshire County Structure plan 1996-2011 (Review), and DM10 of the Havant Borough Adopted Core Strategy (2011), and DM17 of the Draft Local Plan (Allocations) 2012.

- 14 Construction of the buildings hereby permitted shall not commence on each phase until a specification of the provision to be made for the storage and disposal of refuse for that phase has been submitted to and approved in writing by the Local Planning Authority. All service roads should be capable of taking a 26 tonne Refuse Collection Vehicle, and allow vehicle to reverse close to bin store. No bins to be pulled or waste carried more than 25m and no alleys to exceed 20m in length. The dwellings within that phase shall not be occupied until the implementation of such provision for refuse has been completed in full accordance with such an approved specification.

Reason: To safeguard the amenity of the locality and having due regard to policy CS16 of the Havant Borough Core Strategy 2011 which forms part of the Local

- 15 The development hereby permitted shall not commence on each phase until plans and particulars specifying the provision to be made for external lighting of the same has been submitted to and approved in writing by the Local Planning Authority. There shall be no external lighting on the site other than as thereby approved.

Reason: To safeguard the amenities of the locality and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

- 16 No development shall take place until a surface water drainage scheme for the site, based on sustainable drainage principles and an assessment of the hydrological and hydro geological context of the development, has been submitted to and approved in writing by the Local Planning Authority and Southern Water. The drainage strategy should demonstrate the surface water run-off generated up to and including the 100 year critical storm (with an allowance for climate change) will not exceed the run-off from the undeveloped site following the corresponding rainfall event. The scheme shall subsequently be implemented in accordance with the approved details before the development is completed.

Those details shall include:

1. Information about the design storm period and intensity, the method employed to delay and control the surface water discharged from the site and the measures taken to prevent pollution of the receiving groundwater and/or surface waters;
2. A timetable for its implementation; and
3. A management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable urban drainage scheme throughout its lifetime.
4. A written summary of the drainage strategy, including supporting calculations.

Reason: To the policy aims of the National Planning Policy Framework (NPPF).

- 17 No development hereby permitted shall commence on each phase until plans and particulars specifying the layout, depth and capacity of all foul and surface water drains and sewerage disposal including proposed to serve the same, the treatment of existing water courses and ditches and details of any other proposed ancillary drainage works/plant (e.g. pumping stations) for that phase have first been submitted to and approved in writing by the Local Planning Authority and Southern Water. No dwelling or building within that phase shall be occupied until completion of the implementation of its drainage provision in full accordance with such plans and particulars as are thus approved by the Authority.

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) which forms part of the Development Plan, and National Planning Policy Framework, March 2012.

- 18 No development hereby permitted shall commence until the applicant has secured:-
- the implementation of a programme of archaeological work in accordance with a written scheme of investigation which has been submitted by the applicant and approved by the Local Planning Authority in consultation with Hampshire County Council. The approved programme shall be fully adhered to unless otherwise agreed in writing by the Local Planning Authority.
 - the implementation of a programme of archaeological mitigation of impacts in accordance with a written scheme of investigation which has been submitted by the applicant and approved by the Local Planning Authority in consultation with Hampshire County Council. The approved programme shall be fully adhered to unless otherwise agreed in writing by the Local Planning Authority.
 - Following completion of archaeological fieldwork the production of a report accordance with an approved programme including where appropriate post

-excavation assessment, specialist analysis and reports, publication and public engagement.

Reason: To safeguard the potential archaeological interest of the site and having due regard to policies CS11, DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.

- 19 Prior to commencement, an Ecological Mitigation and Enhancement Scheme for the site shall be submitted for written approval to the Local Planning Authority. This Scheme should include (but not necessarily be restricted to): location, extent and timing of vegetation loss; protected species protection (including results of any updating surveys, details of lighting strategy methods to prevent harm or disturbance); location, extent and composition of habitat creation; location and ongoing management of mitigation features such as new habitat, ponds, bat and bird boxes. Development shall subsequently proceed in accordance with any such approved Plan, with all biodiversity mitigation enhancement features permanently retained in accordance with the approved Plan.

Reason: To conserve and enhance biodiversity in accordance with Local and National Planning Policy.

- 20 The garages hereby permitted shall be retained and kept available for the parking of cars at all times and shall not be converted to living accommodation without the prior written approval of the Local Planning Authority.

Reason: To ensure the retention of adequate on-site car parking and to discourage parking on the adjoining highway in the interests of highway safety and local amenity and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.

- 21 No dwelling shall be occupied until space for the loading, unloading and parking of vehicles and cycles and has been provided within the site, surfaced and marked out in accordance with the approved plans. Such areas shall thereafter be retained and used solely for those purposes.

Reason: In the interests of highway safety and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.

- 22 Prior to the first occupation of the dwellings hereby approved, the following details shall be submitted to and approved in writing by the Local Planning Authority:

- i) plans showing the external appearance of the pumping station including any form of enclosure to the station;
- ii) a scheme for protecting the proposed dwellings from noise and vibration from the pumping station.

The pumping station shall thereafter be constructed and maintained in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason: In the interests of the character and amenity of the area and neighbouring residents having due regard to policy CS16 of the Havant Borough Local Plan Core Strategy which forms part of the Local Development Framework, and the National Planning Policy Framework, March 2012.

- 23 Notwithstanding the provisions of any Town and Country Planning General Permitted Development Order, no extension, building or structure permitted by Part 1, Classes A/D/E and F of the Town and Country Planning (General Permitted Development) (Amendment) (No.2) England) Order 2008, as amended, shall be erected within the curtilage of the site without the prior written approval of the Local Planning Authority.

Reason: In the interests of the character and amenities of the development having due regard to policy CS16 of the Havant Borough Local Plan Core Strategy 2011 which forms part of the Local Development Framework, and the National Planning

- 24 Notwithstanding the provisions of any Town and Country Planning General Permitted Development Order, no alteration to the roof of the dwelling hereby approved including the addition of windows permitted by Part 1, Classes B/C of the Town and Country Planning (General Permitted Development) (Amendment) (No.2) (England) Order 2008, shall be constructed without the prior written approval of the Local Planning Authority.
Reason: In the interests of the character and amenities of the development having due regard to policy CS16 of the Havant Borough Local Plan Core Strategy which forms part of the Local Development Framework, and the National Planning Policy Framework, March 2012.
- 25 The development hereby permitted shall not commence until a phasing plan for off site highway works has been submitted to and approved in writing by the Local Planning Authority. The off site highway works shall be completed in full accordance with such plans, particulars and programme as are thus approved in writing by the Authority.
Reason: To ensure that the required highway improvements are provided and having due regard to policies CS16 and CS20 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.
- 26 The development hereby permitted shall not commence until a timetable for the re-location of the Bridleway, including details of any temporary or interim measures has been submitted to and approved in writing by the Local Planning Authority. The bridleway diversion shall be completed in full accordance with such plans, particulars and programme as are thus approved in writing by the Authority.
Reason: To ensure the continuation of Bridleway route and having due regard to policies CS16 and CS20 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework, March 2012.
- 27 No dwelling shall be occupied until Car parking provision for that dwelling has been provided in accordance with plan 1924a -1011-m and such provision shall be permanently maintained.
Reason: To ensure the appropriate car parking provision and having due regard to policies CS16 and CS20 of the Havant Borough Local Plan.
- 28 Woodcroft Lane shall not be used for construction traffic other than for the installation of services for the 5 dwellings proposed with direct access off Woodcroft Lane. Details of those services where vehicular access is required from Woodcroft Lane shall be submitted to and approved in writing by the Local Planning Authority.
Reason: To safeguard the amenities of neighbouring properties and having due regard to policy CS16 of the Havant Borough Local Plan.
- 29 The development hereby permitted shall not commence until the arrangements, including a programme for delivery, for pedestrian and cycle access to Woodcroft School have been submitted to approved in writing by the Local Planning Authority. Such arrangements to include the provision of a ramp from the site access road to the school land. The arrangements shall be completed in accordance with the approved details and programme for delivery.

Reason: To safeguard the amenities of neighbouring properties and to ensure that full access to the school is available and not obstructed or frustrated during school hours and having due regard to policy CS16 of the Havant Borough Local Plan.
- 30 The development hereby permitted shall not commence until details of the proposed play equipment have been submitted to and approved in writing by the Local Planning Authority. The play equipment shall be provided and maintained in accordance with the approved details.

Reason: To ensure appropriate provision and having due regard to policy CS16 of the Havant Borough Local Plan.

- 31 No development shall commence until further details of the footpath and cycleway connections including detailed plans and specifications of the alignment, finished, street furniture and programme of delivery have been submitted to and approved in writing by the Local Planning Authority. The footpath and cycleway connections shall be provided in accordance with the approved details and delivery programme.

Reason: To ensure appropriate provision and having due regard to policy CS16 of the Havant Borough Local Plan and the national Planning Policy Framework.

- 32 Advanced Nursery Standard tree shall be provided adjacent the length of the new access road off Eagle Avenue in accordance with details to be submitted and approved in writing by the Local Planning Authority. Such details shall specify the proposed finished ground levels, the position, species and planting sizes of the trees and timing provisions for completion of the tree planting works. The implementation of all such approved planting shall be completed in full accordance with the approved details and timings. Any tree planted which dies or is otherwise removed within the first 10 years shall be replaced with another of the same species and size and in the same position during the first available planting season.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policy CS16 of the Havant Borough Local Plan and the National Planning Policy Framework March 2012.

- 33 No development shall commence until details of the proposed means of controlling access to the emergency access shall have been submitted to and approved in writing by the Local Planning Authority. The agreed details shall be provided prior to the first occupation of the development and permanently maintained thereafter.

Reason: In the interests of the amenities of the occupiers of nearby properties and having due regard to policy CS16 of the Havant Borough Local Plan and the National Planning Policy Framework March 2012.

- 34 The development hereby permitted shall be carried out in accordance with the following approved plans:
