

A horizontal line represents a 50m road. It is divided into four segments by three vertical tick marks. The first, second, and fourth segments are shaded with diagonal lines. The first segment starts at a tick mark labeled '0m' and ends at the first internal tick mark. The second segment starts at the first internal tick mark and ends at the second internal tick mark. The third segment starts at the second internal tick mark and ends at the third internal tick mark. The fourth segment starts at the third internal tick mark and ends at a tick mark labeled '50m'.
