Dear Madam,

Bayith Rest Home, 18-20 Bevan Road, Waterloooville, PO8 9QH

Proposed single storey front extension and rear extensions at both ground and first floor levels.

Thank you for consultation on the above planning application.

It is noted that the application previously received planning permission under reference APP/17/01193.

The parking survey accepted under this planning application is dated December 2017 and has been submitted as part of the latest application. Given the time that has passed since the survey was undertaken, the Highway Authority requests that an updated survey is undertaken to confirm that any overspill parking from the proposed development can still be supported on the surrounding road network.

Until an updated parking survey has been undertaken, the Highway Authority cannot make a formal recommendation on the application.

Yours sincerely,

Chris Hirst
