Dear Sir/Madam

Site Address: 3 Almond Close, Havant, PO9 3LP

With reference to the above application and your letter dated 1st February 2022.

The only amendments we can see that have been made to the plans are a 50mm (2ins) gap between our extension and the proposed new extension to 3 Almond Close. We still have the same objections/concerns as before (please see our previous letter/comments) and that the wiring and air vent on the outside wall of our extension will be rendered unusable and inaccessible and might have to be moved, as this could pose a potential fire hazard.

As previously mentioned we are not opposed to an extension being built at 3 Almond Close, but we just want to protect our property and any future damage that may occur as a result of this.

Thank you again for your consideration in this matter.

Yours faithfully
