**The Town and Country Planning (Development Management Procedure) (England)
Order 2015**
Grant of Planning Permission

Application Number: APP/20/00251

Site Address: North Street Arcade, North Street Arcade, Havant

Proposal: (AMENDED PROPOSAL) Construction of 29 No. one and two bedroom apartments in a part 2 and a half / part 4 storey extension fronting onto Prince George Street together with the provision of infill flexible use (Classes A1/A2/A3) town centre commercial units to North Street frontage following the demolition of existing 1 and 2 storey retail development to rear.

Further to your application received on 20 March 2020, which was valid from 27 March 2020, Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

REVISED PROPOSED FLOOR PLANS 16-2199-154_P14
REVISED PROPOSED ELEVATIONS 16-2199-155_P11
MATERIAL DETAIL PLAN 19.3166.157_P2
Planning Statement
Design and Access Statement
Transport Statement prepared by PBA
Drainage strategy - March 2020

Our Ref: APP/20/00251

Reason: - To ensure provision of a satisfactory development.

- 3 In the event that public sewers are found at any time when carrying out the approved development which were not previously identified, development shall STOP until details of the measures which will be undertaken to protect the public sewer have been submitted to and approved in writing by the Local Planning Authority. Following approval, such measures shall be implemented on site in complete accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure the adequate protection of infrastructure having due regard to Havant Borough Local Plan (Core Strategy) policies CS19 and DM10 and the National Planning Policy Framework.

- 4 No above ground development hereby permitted shall commence until a specification of the materials to be used for the surfacing of all open parts of the site proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be occupied until the implementation of all such hardsurfacing has been completed in full accordance with that specification.

Reason: In the interests of the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 5 No above ground construction works hereby permitted shall be commenced until a more detailed soft landscaping scheme for all open parts of the site not proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. Such scheme shall specify the distribution and species of ground cover to be planted, the positions, species and planting sizes of the trees and shrubs to be planted and/or retained, and timing provisions for completion of the implementation of all such landscaping works. The implementation of all such approved landscaping shall be completed in full accordance with such approved timing provisions. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 6 Notwithstanding any description of materials in the application no above ground construction works shall take place until the following matters have been submitted to and approved in writing by the Local Planning Authority:

- (i) samples and / or a full specification of the materials to be used externally on the buildings;
- (ii) a sample panel of brickwork, to be constructed on site;
- (iii) window details and sections; and
- (iv) the siting and design of any proposed external meter boxes/metal ducting/flues.

Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 7 The car and cycle parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the development being first brought into use and shall be retained thereafter for their intended purpose.
Reason: In the interests of highway safety and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 8 No development hereby permitted, nor any related site clearance shall commence until a plan and particulars specifying the provision to be made within the site and/or on other land nearby for the parking (throughout the clearance and construction period) of construction vehicles and of other vehicles delivering/removing materials and other items to/from the development site have been submitted to and approved in writing by the Local Planning Authority. Thereafter, throughout such site clearance and implementation of the development hereby permitted, all such temporary parking provision shall be provided and used only as such.
Reason: To safeguard the amenities of the locality and/or in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011.
- 9 The housing (C3 use) element of the development hereby permitted shall not be occupied until:
(a) A water efficiency calculation in accordance with the Government's National Calculation Methodology for assessing water efficiency in new dwellings has been undertaken which demonstrates that no more than 110 litres of water per person per day shall be consumed within the development, and this calculation has been submitted to, and approved in writing by, the Local Planning Authority; and
(b) All measures necessary to meet the approved water efficiency calculation have been installed.
Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011, and Policy E14, EX1 and E12 of the Pre-Submission Havant Borough Local Plan.
- 10 At all times following occupation of the Housing (C3) element of the development hereby approved, all measures necessary to meet the approved water efficiency calculation shall be maintained so as to ensure that no more than 110 litres per person per day shall be consumed in the development in perpetuity.
Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation is provided against any impacts which might arise upon the designated sites. In coming to this

decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011, and Policy E14, EX1 and E12 of the Pre-Submission Havant Borough Local Plan'.

- 11 Prior to the occupation of the Housing (C3) element details of the acoustic mitigation measures to be employed with regard to the building envelope, including fenestration and ventilation, as to how the development will meet BS8223:2014 standards as recommended for indoor ambient noise levels for dwellings, especially in relation to living rooms and bedrooms i.e. during the day (07:00 to 23:00) 35 dB L Aeq,16 hour and at night (23:00 to 07:00) 30 dB L Aeq,8 hour for bedrooms shall be submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details and shall be retained at all times, unless otherwise agreed in writing by the Local Planning Authority.
Reason: To ensure the residential amenity of the residents of the properties are not impacted upon by any external noise levels and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 12 Should any of the commercial units require the installation of plant or machinery for the purposes of ventilation or air extraction or for any other such purpose, a noise assessment shall be submitted to and approved in writing by the Local Planning Authority prior to the occupancy of the individual unit concerned. The noise assessment needs to demonstrate that noise output would be at least 5 dB below the existing background levels. The assessment shall be carried out by a suitably qualified acoustic consultant / engineer and be in accordance with BS4142: 2014 Methods for rating and assessing industrial and commercial sound. The development shall be carried out in accordance with the approved details at all times, unless otherwise agreed in writing by the Local Planning Authority.
Reason: To ensure the residential amenity of the residents of the properties are not impacted upon by any external noise levels and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 13 No floodlighting or other form of external lighting scheme shall be installed unless it has been approved by the Local Planning Authority. Such details shall include, Location, height, type and direction of light sources and intensity of illumination. Any lighting scheme agreed in writing by the Local Planning Authority shall not thereafter be altered without prior consent other than for routine maintenance, which does not change its details.
Reason: To protect the occupants of nearby properties, on and off site, from light disturbance / nuisance having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 14 Prior to the commencement of development hereby approved (other than any site clearance, demolition of above ground structures, and consequential works for the purpose of ensuring structural stability of adjacent buildings to be retained), an assessment of the nature and extent of contamination at the site shall be submitted to and approved in writing by the Local Planning Authority. The assessment shall be undertaken by competent persons, and the findings presented as a written report. The assessment may comprise separate reports as appropriate, but unless specifically excluded in writing by the Local Planning Authority, shall include;
- 1) Site investigation appropriate to both the previous & approved use of the site, to provide sufficient data and information to adequately identify & characterise any physical contamination on or affecting the site, and to inform an appropriate

assessment of the risks to future occupants & controlled waters.

2) The results of an appropriate risk assessment based upon (1), and where unacceptable risks are identified, a Remediation Strategy that includes;

- o appropriately considered remedial objectives,
- o an appraisal of remedial &/or risk mitigation options, having due regard to sustainability, and;
- o clearly defined proposals for mitigation of the identified risks.

3) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out any Remediation Strategy required under (2) are complete, identifying any requirements for longer-term monitoring of pollutant linkages, maintenance of engineered mitigation measures, and arrangements for contingency action.

All elements shall be adhered to unless agreed in writing by the Local Planning Authority.

Reason: Contamination may be present at the site as a result of both previous & current land uses (&/or activities) that could pose a risk both to future occupants of ground floor residential units and to the culverted river channel. Contaminants may also be present which pose a risk to construction personnel. This condition is in line with DM10 of the Havant Borough Local Plan (Core Strategy) 2011, DM17 of the Havant Borough Local Plan (Allocations) [2014], and paragraphs 178-180 of the National Planning Policy.

- 15 Prior to the occupation of any relevant part of the permitted development, any verification report required in accordance with condition 14 shall be submitted to and approved in writing by the Local Planning Authority.

The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan and must demonstrate that site remediation criteria have been met. Where longer-term monitoring of pollutant linkages is identified as being necessary, the report shall clearly set out plans for monitoring, provision for maintenance, relevant triggers and contingency actions (a "long-term monitoring and maintenance plan").

The long-term monitoring and maintenance plan shall be implemented as approved.

Reason: Contamination may be present at the site as a result of both previous & current land uses (&/or activities) that could pose a risk both to future occupants of ground floor residential units and to the culverted river channel. Contaminants may also be present which pose a risk to construction personnel. This condition is in line with DM10 of the Havant Borough Local Plan (Core Strategy) 2011, DM17 of the Havant Borough Local Plan (Allocations) [2014], and paragraphs 178-180 of the National Planning Policy Framework.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.

- (3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Plaza or by telephoning 023 9244 6015.
- (4) In accordance with paragraphs 38-50 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:
- Offering a pre-application advice service, and
 - Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,
- In this instance:
- You were updated about issues after the initial site visit, and amended plans were submitted to address concerns raised the LPA.
- (5) You are hereby requested to ensure that the Environmental Health Pollution team, at Havant Borough Council are advised in writing as to what measures are to be put in place for the control of any dust that might emanate from the development site. This is in order to protect the occupants of nearby residential properties from dust pollution.
- (6) You are hereby requested to ensure that no bonfires take place on this site, during any phase of the operation i.e. demolition, excavation, clearance and construction works. If you feel you have a legitimate reason for a bonfire, it is recommended you enquire with the Environmental Health Pollution team, at Havant Borough Council, prior to taking this action. This is in order to protect the occupants of nearby residential properties from smoke pollution.
- (7) You are hereby requested to ensure that any external lighting that may be installed on this site, within the grounds or attached to the building, is so positioned so as not to cause nuisance to neighbouring properties. This is in order to protect the occupants of nearby residential dwellings from light pollution.
- (8) This permission was granted subject to a planning obligation agreement made under Section 106 of the Town & Country Planning Act 1990 dated 31 March 2021 which requires:
- Financial Contributions
Solent Recreation Mitigation Strategy Contribution
NHS CCG
Warblington Mitigation scheme
- Other Matters:
SUDS - management and maintenance
SUDS Bond
Viability Review mechanism
Traffic Regulation Order
Construct the service layby as shown indicatively on drawing number 045.0006.002 prior to occupation.

TOWN AND COUNTRY PLANNING ACT 1990

NOTIFICATION TO BE SENT TO AN APPLICANT WHEN A LOCAL PLANNING AUTHORITY REFUSE PLANNING PERMISSION OR GRANT IT SUBJECT TO CONDITIONS

- These notes are for information only and do not purport to set out the law on the subject.
- Only the applicant possesses the right of appeal.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- If this is a decision to refuse planning permission for a householder application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission for a minor commercial application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse express consent for the display of an advertisement and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- If this is a decision to refuse consent to work on a tree which is subject to a Tree Preservation Order and you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- If this is a decision to refuse any other type of application and you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.**
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry, then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
