Dear Madam,

Northwood Farm, Northwood Lane, Hayling Island, PO11 0LR

Erection of grain store.

Thank you for consulting the Highway Authority on the above planning application.

The applicant proposes to erect a new grain store within the existing Northwood Farm.

The Highway Authority requests that the applicant provides further information regarding the likely number of additional traffic movements associated with the grain store given the proximity of the site to the A3023 which is sensitive to additional traffic on the network, especially by larger vehicles such as those accessing the farm.

Subject to confirmation from the Highway Authority that the level of additional traffic is acceptable, a condition will be sought for the applicant to provide a Construction Management Plan prior to commencement of development.

Yours sincerely,

Chris Hirst
